INDOOR TRACK

In recent years Chelsea harriers have more than come into their own in track and field. The 1977-78 C.H.S. teams proved to be no exception.

The most successful Red Devil Track team has been the Cross Country team. Spearheaded by seniors Bobby Goss and Paul Rosati, this team compiled a very commendable 7-2 record. With highly tutored juniors like Richard Bradley, the Cross Country team should continue its success.

The C.H.S. indoor track also had a fairly successful season. Despite a 5-5 record, the team provided the school with some momentous events, especially the continuing successes of Mr. Goss.

We move finally to the outdoor track teams.

Notice we said teams not team. The 1977 outdoor track season saw the advent of a girls track team at C.H.S. Considering this to be the team's first year in the league, its 2-3 record is certainly a commendable one.

The boys outdoor track season was also a very commendable one. Led by such senior stalwarts as Peter Yee, Mike Hancock, Leo Quevillon, and Brian Hurton, this team finished the 77 season with a successful 5-3 record and eagerly awaits the 78 competition.

Who Me? A flirt.

Play ita agin Sam.

I knew the school lunches were bad but this is ridiculous.

Is this how you feel the morning after the night before.

Hey Marie! What day is it?

Well, excuuuuuse me!

Would you buy a used bagel from a face like this?

Take us, AMERICAN AIRLINES, WE'RE YOURS.

I think I'm goin' back
To the things I learned so well in my youth.
I think I'm returning to those days
When I was young enough
To know the truth.
There are now no games to only pass the time,
No more electric trains,
No more trees to climb.
But thinking young, and growing older is no sin.
And I can't play the game of life to win.

I can recall the time
When I wasn't as famed to reach out to a friend.
Now I think I've sot a lot more than just my toys
to lend.
Now there's more than watch my sail boat glide.
But every day to ma it may ride,
'Caus can pay his and lek with my to a
And live my lays inste
